Profiled

MATERIAL

Special Round-AC profiled profile in Stainless Steel - AISI 304

APPLICATION FIELDS

Special Round-AC is a profile to be used in both internal and external environments ensuring excellent resistance to corrosion.

WARNINGS

Special Round-AC is a profile not to be used in swimming pools or in any environment where very aggressive substances are present. Pay particular attention during installation to immediately clean the profile from glue or grout residues, in order to avoid the formation of dark oxidations that would be permanent.
