Profiled

MATERIAL

Special Square-AC profiled profile in Stainless Steel - AISI 304

APPLICATION FIELDS

Special Square-AC is a profile to be used in both internal and external environments ensuring excellent resistance to corrosion.

WARNINGS

Special Square-AC is a profile not to be used in swimming pools or in any environment where very aggressive substances are present. Pay particular attention during installation to immediately clean the profile from glue or grout residues, in order to avoid the formation of dark oxidations that would be permanent.
