Extruded

MATERIAL

Special Square-Al is an extruded profile in aluminium EN AW 6063-T6

APPLICATION FIELDS

Special Square-Al is a profile to be used strictly in internal ambients

WARNINGS

Special Square-Al is a profile not to be used in outdoor environments, in swimming pools and in any environment where aggressive substances are present. Pay particular attention during installation to immediately clean the profile from glue or grout residues, in order to avoid the formation of dark oxidations that would be permanent.
